Spiritual Economics Class Final Project

March 2024

Spiritual Economics Is

- **Success = Growth taking place in each person.**
- **The supply of every good awaits the demand for it.**
- **My perception is shaped by my previous experiences, according to my faith, and where I am in consciousness.**
- **Crisis = Danger + Opportunity**
- **Money is Good, God in action!**
- **We are creating a world of abundance by our own consciousness.**

Spiritual Principles

1. **Oneness**
2. **Love**
3. **Creation**
4. **Threefold Nature: Spirit, Law and Body**
5. **Creative Process**
6. **Spiritual Laws**
7. **Spiritual Beings**
8. **Freedom**
9. **Heaven**
10. **Eternal Life**

Ways I will practice economic consciousness:
