

Stories of Courage, Creativity & Spirit

Welcome

In March, in celebration of Women's History Month, our Youth and Family Village will turn our attention to learning about the contributions of women whose courage, creativity, and commitment shaped the world we live in today. Through their stories, our children will see how women planted seeds of change, spoke truth in the face of injustice, and used their gifts to uplift their families and communities. By reflecting on these examples, we connect our children to a living legacy of strength and service, while reminding them that they too are expressions of Spirit with voices, dreams, and actions that matter.

This Month in YFV

March 1: She Shines: Stories of Courage, Creativity, and Spirit

Youth will learn about Harriet Tubman, Wangari Maathai, and Rev. Dr. Maisha Hazzard, three women who trusted Spirit and used their gifts to lead, heal, and inspire. Through stories, art, and reflection, students will create portraits that honor how they, too, shine.

March 8: Women of Wonder Stations

Joined by special guest Lauren Gucik, students will travel through 4 stations learning about 4 fabulous women through hands on activities.

March 15: Power in Our Voice: Women Who Speak Truth to Power

Our youth will encounter the words and work of women such as Audre Lorde, Angela Davis, and Ai-jen Poo. Through discussion and writing, they will explore how speaking truth with love is a sacred act that creates change for our communities and the world.

Family Connection

Here are simple ways to deepen the learning at home:

Family Reflection: Name women in your family, community, or history who made a difference.

Shine Together: Make an "I Shine When I..." list as a family and post it at home.

Carry It Forward: Notice how women today shape the world through art, leadership, teaching, or care.

Events to look forward to:

On April 5th, we'll gather in joy to celebrate Easter. We will be honoring renewal, resurrection, and Spirit's promise of new life. Families, join us for a beautiful day of worship and community!
